

Ambra App for iOS Devices

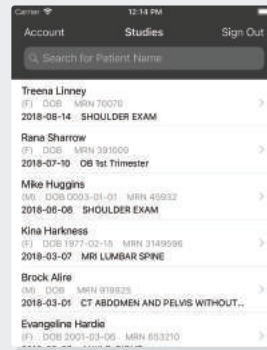

1. DOWNLOAD AMBRA APP

In the iOS App Store, search for "Ambra" and download the Ambra Health app.

2. LOGIN

- Enter your Ambra Health credentials to login.
- Register if you do not have an account.

3. ACCESS PATIENT STUDIES

- All images in your Ambra account can be viewed in the app.
- Search for a patient's study.
- Select study to view image(s).
